There are eight, beautifully furnished double bedrooms, all but one with a spectacular view over the sea – and with a flexible mixture of super-king, king-size and twin beds. Each bedroom has a luxurious en-suite bathroom. Downstairs, there is a fabulously light and well-equipped kitchen, a grand, red dining room which can seat 24, a wonderful cedar-lined library, filled with favourite volumes and games, a cosy sitting room with TV and a large, private whisky bar, well stocked with local malts and operating on an “honesty” basis, complete with pool table and smart TV. There are several real fireplaces and wood-burning stoves, with logs provided.

ACCOMMODATION

Embo House sleeps 16, additional guests can stay at our sister property , ‘The Meadows’ which is a short drive away and sleeps a further 8 people.

This would incur extra costs – £1500 for 3 nights off season and peak season the rate increases to £1960 for 3 nights.

THE MEADOWS

Additional Accommodation Option

Recently renovated, The Meadows boasts 4 individually decorated double bedrooms, each with a modern en-suite bath or shower room. Two of the bedrooms have super-king beds which can be separated into single beds if required. The others have king-size double beds. The Meadows was built from local sandstone in 1886, at what must have been a boom time for the town, as there are many other contemporaneous buildings around.
